EQUINE: Please note that a negative infectious anemia (EIA) test dated within the twelve months prior to the Parade is required by law. Any horse without proper original proof of a negative test will not be allowed in the parade and must be removed immediately from the area. Original documents must be presented and a photocopy of the document must be attached to this registration form for recording purposes. Note: Horse entries can be placed throughout the parade if they provide a clean-up person to follow each group.
